Month	Total Number of Voter Registration Cards Sent to County Elections Office	Total Declination Forms Received* *(Do not send declination forms to the county elections office.)*

*Under NVRA requirements, the declination form must be filled out when a person declines to register to vote or when a person chooses to take the voter registration card home to fill out at a later time. Therefore, the total number of declinations reflects only the number of people who declined to register at the agency office.
