If my email was formal enough to be considered a notification that the Green Party has not authorized DTS voters, you may treat it as one.

I read the statute you cited and it makes clear the purpose of the notification is to allow no party preference voters in the primary if the party adopts a rule to allow them. So no notification means no DTS voters. If your office has a different reading of the statute please let me know.

For future reference, I noted that your letter asked for notification by fax or mail. So it seems fax alone is enough? Do you consider a scanned and emailed signed letter, as I provided to you regarding the primary candidates, substantially similar to a fax for this purpose?

If this process is smoother if I do that regarding the DTS voters as well, let me know.

Also, while my address in the body of the letter was updated, the envelope still had my old address.

Thanks,

Re: Americans Elect

Dear Ms. Lean:

As you know, we represent Americans Elect. Thank you for your letter dated December 21, 2011 confirming that Americans Elect has obtained ballot access as a qualified political party in California. Americans Elect has organized in California for purposes of ballot access in the 2012 presidential election, and not for any other local, county, state or federal offices. We enclose for your records a copy of the Bylaws and Convention Rules of Americans Elect, as most recently amended.

This letter confirms that Americans Elect does not wish to participate in the June 5, 2012 Presidential Primary Election. The Americans Elect delegates will nominate the Americans Elect presidential ticket by convention in June 2012. Thereafter, Americans Elect promptly will notify your office of the presidential and vice-presidential ticket to be placed on the General Election ballot in November 2012.

Pursuant to California Elections Code section 5005, to the extent required by law and pending enactment of legislation governing the conduct of Americans Elect's activities and elections, Americans Elect intends to follow the statutory provisions of the Peace and Freedom Party of California for the operation of its activities. Please note that Americans Elect does not intend to hold county central committee elections.

Americans Elect in California intends to affiliate only with Americans Elect, which is pending national formation, and not with any other national party. Americans Elect will conduct its state convention as soon as practicable to select permanent officers and make decisions concerning its operations. Please do not hesitate to contact me if you have any questions or we can be of further assistance.

Very truly yours,

  
Daniel B. Winslow
